WILL YOU accept a heart that loves,  
But never yields? And burns, but  
Never melts? Will you be at ease  
With a soul that quivers before the  
Tempest, but never surrenders to it?  
Will you accept one as a companion  
Who makes not slaves, nor will become  
One? Will you own me but not possess  
Me, by taking my body and not my heart?
